

**Paul Reidl**

I am an attorney in Half Moon Bay where I practice trademark and copyright law. I have been practicing law for 35 years, first with a large law firm in Washington, D.C. , then with E. & J. Gallo Winery and with my own firm since 2009. I became a USA Swimming Official in 1996 and have continued to volunteer even though my daughter hung up her Speedo many years ago. I am an N3 Deck Referee/Starter/Chief Judge and am LSC certified to the Meet Referee level. Before becoming a member of Pacific Swimming, I was a member of Sierra Nevada and chaired their Board of Review for about six years.
