

Motion – 2309AG01 ZAM Amendment

To amend Pacific Swimming Policies and Procedures for the Zone All Star Meet for current practices and outdated procedures.

Purpose: Specific issues include: Zones do not have to pre-seed the meet for entries. This time-consuming practice is outdated, as Hy-Tek Meet Manager is able to seed them into assigned lanes using the 3+ double dual format and still be able to score correctly. Alternates need to be included with team entries for registration checks prior to the meet. A pre-event meeting for all leaders to go over bus schedule, hotel info, and any other event information, this way Meet Director and LSC Staff can provide last minute input on facility and other local information as needed.
